Join Colin Rowe to experience New Zealand as he personally guides you on this 27-day tour of the South & North Island of New Zealand, which will give you a close-up view of beautiful scenery ranging from rain forests, pasture land, white sandy beaches, rocky coast lines & rugged mountain ranges.

You will begin and end your guided tour in the city of Christchurch, where you will pick up your bike before enjoying the evening relaxing with your fellow riders. Your ride will then take you through the rugged mountains of the Southern Alps running the length of the Sth Island, before crossing the ocean between the 2 islands and riding through the rich farm land of the central North Island, visiting geothermal volcanic areas, riding along beautiful sweeping coastal roads, through old growth forests, and rugged hill country. All the while enjoying gentle sweeping corners mixed with twisty back roads.

The roads in NZ are in good condition, with light traffic outside the cities. Aside from encountering roads under repair, you will not be required to ride on any unsealed roads.

This tour is suitable for **Intermediate or Advanced riders**. Note: New Zealanders drive on the left-hand side of the road and so must you.

This combination South & North Island tour combines highlights from both Islands. Riding from South to North and then returning South you will experience some of the best that both islands offer. ## **Day #1 Shuttle to Hotel**

You will be met at Christchurch International Airport and shuttled first to your hotel to check in, and then to pick up your bike.

The rest of the day is set aside to allow you to settle in and rest up before the adventure begins tomorrow—or you can visit some of the city sights. The day will include a safety meeting to review road rules and safety requirements, followed by a “get to know you” dinner.

## **Day #2 Christchurch to Blackball 251 km / 155 mi route (Approx. 3:55 hrs. riding)**

Leaving the old English-style city, you will find that getting comfortable with your bike will be easy as you head across the plains before beginning the twisting climb into the Southern Alps. Stopping near the top to watch the native Kea parrots is a great photo opportunity.

Continuing down from the pass and through scattered native bush brings you to your stop for the night. This 200-year-old hotel is full of history and maybe a ghost or two. It's also home to the best chef we've come across in the South Island.

## **Day #3 Blackball to Kaikoura 325 km / 200 mi route (Approx. 5:10 hrs. riding)**

After a relaxing breakfast, hit the road and cruise between rich farmlands and patches of thick native bush on meandering well-maintained roads.

Today will take you back through the Southern Alps. As you leave this picturesque location, you'll ride along the base of the coastal mountain range to your stop for the night in a peaceful seaside town.

***Experience New Zealand; Don't Just Ride It!***

Once on the ferry and the bikes tied down in well-designed supports, sit back, relax, and enjoy crossing the Cook Strait. Once off the ferry, head out of the city for some easy riding through the ranges to your stop for the night.

**Day #5** *Palmerston North to Whanganui 275 km / 165 mi route (Approx. 3:00 hrs. riding)*
